

## NCRA Gives to Community Projects

NCRA employees, together with matching funds from the company, gave a combined total of \$55,851 to community projects this holiday season.

“Whether it’s coats for kids, money for the Food Bank, or giving to other causes such as the United Way,” said Jim Loving, NCRA President, “NCRA employees stepped up again this year to give back to the community. I’m thankful to be a part of this company and this community. On behalf of all of us at NCRA, I would like to wish everyone a joyous holiday season.”
